

# COVID-19 Online Learning for Volunteers

## Fact Sheet

As a volunteer supporting others you may find it helpful to do some online training about coronavirus and how you can prevent infection, keeping yourself and others safe. It would be recommended that you do some basic training.

'E-learning for Healthcare' has some excellent training for healthcare practitioners, with a section devoted to the coronavirus. This can be accessed at:

<https://www.e-lfh.org.uk/programmes/coronavirus/>

Firstly you will need register and create an account with your email address and select Volunteer (Health) as your job role. You should then receive a username and password enabling you to log on and begin.

Once logged in, you will have a home screen and the below option will be visible.

### Coronavirus (COVID-19)

We have created a new programme for the health and care workforce that contains key information from e-LfH's catalogue of content as well as curated materials from other trusted organisations — **Coronavirus (COVID-19)**.
