Monday 27 November 2017 - 9.30am 12.30pm

Support Staffordshire (East Staffordshire), Voluntary Services Centre, Union Street, Burton Upon Trent, Staffordshire, DE14 1AA

A loan shark is someone who lends cash as an authorised business. A loan shark will typically have little paperwork and will add penalty charges for late payments. Nadeem will present on how to look out for the risks of somebody borrowing from a loan shark.

Community Safety will be covering the areas of online fraud, rogue traders, scams and cyber crime.

Let's Work Together aims to bring all agencies together to help people live healthy, safe and independent lives by giving the tools, training and skills to become the "eyes and ears" for partner organisations, identifying risks or referring to services. It offers a wide range of support and signposting to local people to help them live healthy, safe and independent lives.
