

**Are you interested
in local health
services?**

**Are you a member
of a patient or
community group?**

Your local NHS needs you!

We want to make sure that patients and the public are at the heart of everything we do in the planning, development and delivery of local health services.

We really value the patient and community representatives that already support us but we need to reach a much wider audience and would really welcome your views about how we can do this better.

We are holding a workshop on **Wednesday 2nd November** from **2.30pm – 5.30pm** at the **Aquarius Ballroom and Banqueting Suite**, Victoria Shopping Park (near Tesco), Hednesford, WS12 1BT.

If you or a member of your group would like to attend, please contact Sherry.Samaan@northstaffs.nhs.uk.

We look forward to seeing you there.
